Your wedding day is an extraordinary and cherished moment in your life. Allow us to ensure you radiate with elegance on this exceptional occasion. During your consultation appointment, we will meticulously discuss and showcase various formal design options. Together with our bridal team, we will meticulously craft a plan months in advance to ensure you are impeccably prepared for your big day.

### **\*\*Policies\*\***

This Wedding agreement is a written commitment to solidify all arrangements between you and our distinguished team. It encompasses the wedding date and time, a comprehensive timeline for the bride's hair and makeup practices will be outlined, the agreed upon salon arrival time, the estimated time for completion, the names of guests to be styled along with their style descriptions, package selections, and the deposit amount. Any additional services requested by guests or wedding party members after the contract's signing will be billed on the event day.

### **\*\*Deposit\*\***

To secure your chosen date, we require the submission of a signed agreement and a \$150 deposit. The deposit amount will be deducted from the bride's services on the event day. All wedding bookings follow a 'first come, first served' principle, and no dates will be considered 'guaranteed' without a signed agreement and the accompanying \$150 deposit. The remaining balance is payable on the day of service. Please note that deposits are non-refundable. Deposits are accepted in cash, debit, or credit card form.

### **\*\*Off-Site Weddings\*\***

For off-site weddings that require our team to travel to the bridal party, a flat fee of \$200 or \$400 per stylist is added to the cost of services. \$200 per stylist for up to 4 hours of service and \$400 per stylist for up to 8 hours of service. Our team only travels within a 50 mile radius of our salon.

### **\*\*Cancellations\*\***

Cancellations are only accepted up to 60 days before the contracted wedding date. In the event of a cancellation without a 60-day notice, a charge of 50% of the services will be charged to the card on this agreement.

## **\*\*Late Arrivals\*\***

In the event of the entire wedding party or just one bridesmaid arriving late without prior communication, our stylists may or may not be able to accommodate the new schedule. If the party is 30 minutes late without notification to the salon, the party will be considered a 'no-show,' meaning that the original contract cannot be fulfilled, and clients remain liable for the full amount of services and travel fees set forth in this signed agreement. Charges will be charged to the card on this agreement.

## **\*\*Payment\*\***

The balance of payment for wedding day services will be collected on the day of the event unless full payment is arranged in advance. 20% gratuity is added to the full payment and is itemized in the invoice. Hair service prices are subject to change based on factors like hair length and thickness or intricate curling iron work. One single form of payment is accepted for all services.

You will receive an invoice via email one week before your wedding day.

## **\*\*TRIAL APPOINTMENTS\*\***

To ensure the bride has the look her heart desires, our bridal specialists require time with her in the form of a trial appointment. In this session the bride shares her vision with her personal bridal specialist and together they design her ultimate look. Hair and makeup is carefully coordinated with the dress and theme of the wedding. Brides sometimes book this appointment before a dress fitting so they can have a complete dress rehearsal. We suggest booking this appointment no later than 2 weeks prior to the day of the wedding but it's best to book it when leaving the deposit to secure the time on the bridal specialists schedule.
